HON. H. A. MANCHESTER CHOSEN

As a Member of the County Board of Education For Five Year Term. Board a Strong One.

The presidents of most of village and township boards of education met in Youngstown last Saturday and elected a County Board of Education provided by the new Ohio school law. M. E. Dennison of Poland was elected chairman and Dr. J. H. Schuurmeijer of Austintown secretary. Names of gentlemen residing in nearly every part of the county, outside of Youngstown, were announced as candidates for members of the board. It was agreed that the future receiving the highest number of votes, in their order, should constitute the board. H. A. Manchester of Canfield received the largest vote, 17, and was declared elected for the long term, five years. William Chambers of Boardman was next highest and he

Hugh A. Manchester.

will serve four years. Dr. S. J. Patton of North Jackson will serve three years, Joseph Pim of Damascus two years and John Yoder of Beaver township one year. The board will meet in Youngstown in July and organize. It is its duty to divide the county into school districts, elect a county superintendent, and do much other work the new law provides for. The only compensation they are to receive is their actual expenses. Avowed candidates for the county superintendency are Prof. M. A. Kimmel of Poland, C. W. Ricksecker of Coleraine, Jerold A. Alderfer of Youngstown. It is understood that there will be one or two more.

Former Canfield Young People Married

The wedding of Miss Eva Margaret Stafford and Fred Forest Bryson, celebrated in the home of the bride's parents, Mr. and Mrs. Ira W. Stafford, 937 West Woodland avenue was one of the prettiest affairs of the season, says the Youngstown Vindicator. Fifty relatives witnessed the ceremony which took place at 12 o'clock Tuesday, with Rev. E. D. Wettach, pastor of St. Paul's Reformed church officiating. Miss Bessie Schrum presided at the piano presenting the Lohengrin march and appropriate musical selections. Miss Katherine Nash of Canfield, the bride's cousin was her bridesmaid and Cyrus Harold Bryson, the bridegroom's brother was best man. The bride was charming in a gown of white Chantilly lace over crepe de chine. She wore a diamond lavalliere, the gift of St. Paul's church, a shower bouquet of rose and valley lilies. Miss Nash wore green crepe de chine and carried pink roses. A congratulatory reception was followed by a richly appointed dinner of pink and white arrangements. Mr. and Mrs. Bryson left later for an extended eastern trip. A Copenhagen blue costume was worn by the bride. The couple received many beautiful gifts with the day's greetings, as both are deservedly popular. Mr. and Mrs. Bryson gave Miss Nash a string of pearls and the best man a scarf pin.

If you have a skeleton in your closet, that's the place for it.

ROY DAVIS MET TRAGIC DEATH

Former Canfield Boy Drowned in Huron River When Canoe Capsized.

Ann Arbor, Mich., June 17.—Roy Davis of Mineral Ridge, Ohio, senior law student in the University of Michigan, was drowned this afternoon while canoeing on the Huron river with his room-mate, Russell Calkins, of Eugene, Oregon. Calkins was rescued from the river and revived. Davis would have graduated next week with the degree of Bachelor of Law. The canoe was overturned in the rapids. Students rushed to the rescue and saved Calkins, but Davis' body remained in the water an hour before it was found. Davis was about 27 years of age.

Mr. Davis was well known in Canfield where the family resided for a number of years. After graduating from the Normal college in 1906 Roy matriculated in the university of Michigan, completing the classical course, and then entered the law school. Some years since Gabriel C. Davis, father of the unfortunate young man, disposed of many of his business interests and with his family removed to his fine farm near Mineral Ridge. Three years ago Mr. Davis and his two sons, Roy and Edward, went to Meander creek, which runs through the Davis farm, while the water was flood high, and the father and Edward went in swimming. Roy could not swim. Mr. Davis was seized with cramps and drowned before his sons could rescue him. The family has been singularly unfortunate. First, the father lost his life, then Mrs. Davis lingered long between life and death as the result of being scalded, and now, Roy, a bright, promising young man, has met a tragic end. The remains will be brought to Mineral Ridge for burial. Besides his mother he leaves one brother, Edward, and a sister, Miss Marie Davis.
